## Calculations Policy

We have been asked to share our calculations policy with our families so you can support your child with any maths activities they do at home. The calculations policy is now available on the VLE, Whole School—Resources section, with examples of the different addition, subtraction, multiplication and division methods used in each year group.

## Uniform

Brigade are offering a 15% discount on online uniform orders until Monday 2nd April.

## Attendance

Next term there will be a small prize for children attending school every day. Children who have genuine medical appointments will not be penalised.

## Easter Display

Our Annual Easter Themed Display will be held on Wednesday 28th March in the hall after school. Children can choose to make anything with an Easter Theme eg. Egg decorating, egg box models, Easter bonnets etc.

Please bring display items in on the day and collect them on Thursday 29th March.

Please be advised that copies of our Newsletter and recent letters are available on our website.

**PAW Easter**

Paws would like to thank you for supporting our Easter Egg competition.  
All large eggs have now been won.

Mrs Wade will be holding a guess the weight of the cake competition in the school hall next Monday and Tuesday morning. Proceeds will go to Marie Curie

**Parking**

For the safety of the children please do not park on the grass verges along The Parade. There have been several complaints regarding parking there and the mess it is making. Please consider parking at the Holland Park car park. Traffic wardens will be attending periodically.

**VLE**

Please check the Virtual Learning Environment, itslearning, on a regular basis to find more information about what your child is doing in class. School Council, Digital Leaders and our AStar Sheriffs all have their own VLE pages and would love it if you had a look at the contribution they are making to our school.

Please remember to check our website for further information including; trip letters, newsletters, policies, photographs, prospectus, year planner etc. For ease of access click on the QR reader overleaf.

**PAWS**

As a parents association we always aim to provide fun and different activities for all the children throughout the year. To do this we need your support. Activities such as Discos etc. can only be organised if there are sufficient parent helpers. If you have any available time and would like to help please complete the form below and we will be in touch.

Many Thanks  
PAWS
