Park and Stride

As you are aware, the school is working very hard to try and reduce congestion at the school gates. It is hoped that by doing this, the school gates will be a safer place for all our children.

Could we introduce to new families and remind others about our "Park and Stride" scheme. This is a simple initiative, where families are encouraged to park their car and then walk the rest of the way. We appreciate that some children are unable to walk to school either due to parental work commitments, distance or a variety of other reasons. This is why we encourage the use of our 'Park and Stride' drop off point, so that you can park your car and walk the last part of the journey to school. We are therefore asking families to park on the car park at Holland Park and walk the rest of the way to school. If for some reason this is not a suitable parking place we would encourage you to park outside the Walking Zone highlighted below:

Food Bank

For harvest this year we are collecting for the local Food Bank again. Please send in items such as tins, dried foods, tea, coffee, sugar, cereals, toiletries etc. w/c 2nd October. Rev D Bishop will then deliver the food to the local Food Bank on our behalf.
