

Spring Term 2017

Watling Street School

Nursery Newsletter

Welcome to the Spring Term in Nursery.

This term our topics will be:

Where does snow go? -

Children will learn about winter weather and associated vocabulary, what happens to snow and ice when it melts, how animals and birds adapt to colder weather, and how people keep warm.

Can we explore it? -

Children will learn about how we travel from one place to another, different types of transport, how maps are used to help us find our way, to investigate places using all of our senses and how countries around the world are the same/different to the UK.

We will find out about travelling by road, sea and air.

Seasonal topics will include—Winter, Chinese New Year, Valentines Day, Mother's Day, Pancake Day, Spring, Easter.

We are hoping to invite Nursery Parents in to join in with a Spring Activity at a later date. We will send home a letter with further details.

Important Information for Nursery

Below are just a few helpful reminders and information:

- ◆ Please can you make sure all clothes and shoes are named. As you can appreciate, children take them off for dressing up and they can easily get mixed up.
- ◆ We would still be very grateful for any donations of tissues—as you can imagine there are many runny noses to wipe!
- ◆ As children have access to the outside area in all kinds of weather a suitable coat, footwear and hats, mittens and scarves will be required to keep them dry and warm, especially with the cold Winter weather approaching. Please ensure these items are all named.
- ◆ Don't forget to keep sending in your WOW moment sheets to keep us up to date with your child's progress at home. We very much value your contributions to your child's learning journey. Spare WOW moment sheets are kept in the tray just inside the nursery door. Feel free to help yourself to these.
- ◆ Also remember to check the learning platform by logging onto It's Learning via the school website. Photos of the children and useful information are being added on a regular basis.

Dates For Your Diary

Friday 17th Feb—Break up for half term holiday. Non-Uniform Day

Monday 27th Feb—School closed for Staff training

Tuesday 28th Feb—Return to Nursery
