

Autumn Term 2017

Watling Street School

Reception Newsletter

Welcome to the Autumn Term in Reception.

This term we will be learning all about:

Ourselves / People who help us? - We will be talking about ourselves and what makes us special as well as creating self portraits. We will also be learning about our families. As part of this topic we will learn how to keep ourselves healthy. We will also be learning about people who help us. We will be having a visit from a fireman along with his engine.

Seasonal Topics - Why do leaves go crispy? - Discovering all of the changes that happen at this time of year.

Diwali and Christmas - Understanding why and how these festivals are celebrated. Participating in the Christmas production - get those tissues ready!

Important Information for Reception

The children have all settled in really well and are learning all of the new routines very quickly. We are very proud of them. Thank you for your support with encouraging your child to come into school on their own. We are very impressed! 😊

Below are just a few helpful reminders and information for the coming weeks

- ◆ **Please, please, please** can you make sure all clothes and shoes are named. As you can appreciate, children take them off for dressing up and they can easily get mixed up.
- ◆ Children will need to bring a bag on a Friday to borrow a school library book. These can be returned and changed each Friday. Again, please make sure that the bag has your child's name written clearly on the front.
- ◆ Look out for our class bear (the cuddly kind). Each child will get to bring Bradley Bear-home for a week at a time. Please help us by filling in a diary. The children will then share their adventures with the rest of the class.
- ◆ We would be grateful for any donations of tissues—as you can imagine there are many runny noses to wipe!
- ◆ During each day at Reception, water is readily available for your child to have a drink as and when they wish, therefore it is not necessary to send your child to school with a drinks bottle unless they want a drink for lunchtime. They also receive a piece of fruit and a drink of milk or water during snack time.
- ◆ As children can access the outside area in all kinds of weather a suitable coat and footwear will be required to keep them dry and warm.

Dates For Your Diary
