

WATLING STREET PRIMARY SCHOOL

20th January 2017

Dear families,

Safer Internet Day - Thursday 2nd February 2017

We shall be holding our annual Safer Internet Day on Thursday 2nd February this year and have organised for our Walsall E-safety Officer, Nicola Rudge, to run workshops and activities with every year group throughout the day.

All Key Stage 2 parents are invited to attend the workshops with their child;

- Year 3 and 4 at 9.30-10.15am
- Year 5 and 6 at 10.30-11.15am

There will be activities for the children to complete with their grown up, and the sessions will be focused on keeping ourselves safe, and understanding the 'digital footprint' we leave behind every time we go online. Refreshments will also be provided!

EYFS and Key Stage 1 children will have activity sessions in their classrooms during the afternoon.

Yours sincerely,

MRS D PROBERT
DEPUTY HEADTEACHER

SAFER INTERNET DAY WORKSHOP

Child's name.....

I/We will be attending the Safer Internet Workshop;
